Waterside Arts Summer Camps - 2011

Waterside Arts is now in its 19th year of operation. It is situated in the picturesque village of Eden Mills on the Eramosa River surrounded by fields and forests, just 15 minutes east of Guelph. During the camp program, the participants can enjoy swimming, canoeing, and exploring the woodland trails as well as having wonderful, unique experiences in the arts.

Our teachers are experienced specialists in Circus and Visual Arts who love to work creatively with children.

Counsellors are chosen for their maturity, flexibility, experience, sense of humour, and delight in and dedication to working with children.

Lifeguards are available for swimming and canoeing lessons and recreational fun.

Juggling, unicycle riding, masks and mime will all be part of the fantastic fun.

Drawing, painting, and sculpture activities will all be inspired by the magical life of the circus.

Paint murals of circus animals, create a clown character and sculpt lively performing animals. Make a kite that really flies and a colourful banner depicting your favourite circus theme. Help create a giant dancing puppet. These are just a few of the possible art projects we will be involved with during our lively week of creative fun.
